## HONORING BELOVED SBS FAMILIES

The Step By Step Dance "Company" is a community-based, not-for-profit dance troupe. The mission of the dance company is to serve our community by spreading positivity, kindness, and the joy of dance. Join us at our student showcase which will be a performance of student choreographed pieces.

A portion of the proceeds will go towards two families that are near and dear to our hearts.

We are raising funds for a beloved SBS Dance Dad's family. He triumphed over neck/throat cancer, and survived a stroke, demonstrating his strength and resilience. He was a highly respected and devoted member of the Farmingdale Community. An Eagle Scout, a Girl Scout, a dedicated member of the Farmingdale Board of Education for 9 years, a committed participant in the Farmingdale PAL, and a dedicated volunteer for many organizations including the AHRC. One who embraced life to the fullest. We plan to celebrate him through DANCE which he loved to watch his daughters do.

We are also raising funds for a beloved SBS Uncle and his family who unexpectedly and suddenly lost his life. He had taken his daughters to lacrosse training and gone on a run during the practice where he tragically met his end; his heart was so filled with love that it had given out. His loved ones describe him with a huge heart and a peaceful soul which we will honor through the movement of DANCE.

A very special THANK YOU to our studio staff and family volunteers who helped to make this production possible.

The Step By Step Dance Studio “Company” is a community-based, not-for-profit dance troupe comprised of our advanced students on an audition basis. The mission of the dance company is to serve our community by spreading positivity, kindness, and the joy of dance.

This year the SBS Company outdid their efforts in years past with numerous community events such as:

- The dancers raised money, awareness and walked in the Annual Breast Cancer Awareness Walk at Jones Beach.
- The dancers performed for Girl Scouts of America in their International Day event.
- The dancers performed for a local elementary school in their International Day event.
- The dancers performed for the “Resurrection House” an organization for less fortunate on Christmas Eve.
- The dancers mentored our youth of SBS in a Halloween routine for Farmingdale Halloween Parade.
- The dancers raised food, Easter basket items, and essential goods for St. Kilian Outreach program.
- The dancers raised money and awareness to our mission today.

Being a member of the company is a privilege and comes with great pride and responsibility. Our purpose is to bring the art of dance and service to the community.
